The advertisement features a woman in profile, wearing a white hard hat with the "PS Construction" logo and a blue safety vest over a white shirt. She is looking upwards and to the left. The background is a light blue sky with faint architectural lines. The main text "We build a New Scene" is in large, bold, orange letters. Below it, the Japanese text "建設技術で想いをかたちへ" and the English text "since 1952 to the future" are in smaller orange font. At the bottom, there are four small images showing various construction projects: a bridge, a tunnel, a road, and a dam. The PS Construction logo is prominently displayed in the center, with a small tagline below it. To the right of the logo are two QR codes and some small text.
